Honors Physical Science/Physical Science -

1 - two pocket folder

1 - package of college ruled loose leaf paper

1 - 1 inch binder

1 - pack of tab dividers (minimum of 3 tabs)

Pencils

Colored Pencils

Karla Slack

I need for my students to have pen/pencil/paper, scientific calculator, and a dedicated 3-ring binder for labs. **Zoology** students need colored pencils.

Supply List for Mrs. Wood's math classes:

- **3-ring binder** for math only (a 1 or 1½ in. should be good)
- **pencils** (if you only like to use a pen, it must be blue or black ink with eraser or white-out)
- **good erasers**
- **loose leaf paper**
- **dividers** (5 tab package or make your own)
- **scientific calculator** Having a calculator can greatly help with homework and test prep. I recommend the TI-30X IIS (under \$10 many places) or a graphing calculator. We will be using the TI-Nspire CX in class, but it is a bit pricier so another good option is TI-84 Plus CE Silver Edition (or any TI-84). If you cannot get a graphing calculator, it is very understandable and will not hinder the learning process. I would recommend at least trying to get the TI-30X IIS scientific calculator if at all possible.
*Please understand that if students demonstrate a lack of ability to perform math operations by hand they may not be permitted to use a calculator until they get help from me with the basics.

Ms. Donnally (Art)

At the very least they will need a #2 pencil and a notebook. If they could bring their own colored pencils to reduce sharing and spreading germs that would be awesome!

Carrie Holland

Creative writing, Honors English 10, and English 10:

Bring your iPad and keyboard every day

Ms. Musick's Eng. 9, 12, CCP courses =

Single subject spiral composition book,
pen/pencil, highlighter,
mask,
& iPad

Watson

Geometry -

Notebook or notebook paper

Pencils

Graph paper

Optional:

TI-30XIIS calculator
